City Year was founded in 1988 on the belief that young people can change the world. City Year is an education focused, nonprofit organization that unites young people of all backgrounds for a year of full-time service to keep students in school and on track to graduation. At City Year’s 27 locations across the United States and two international affiliates, teams of young people called corps members serve full-time in schools for the academic year as tutors, mentors and role models. By focusing on attendance, behavior and course performance, which identify students who are at risk of dropping out, corps members are uniquely able to help students and schools succeed.

Lockheed Martin is a leading systems integrator and global security company principally engaged in creating systems vital to the safety and security of free nations. We design and manufacture platforms such as aircraft, ships, satellites and land vehicles that support the U.S. armed forces and allied nations. We also partner with the Department of Homeland Security to assist in keeping Americans safe from the adversaries of freedom. As the foremost Federal IT contractor, Lockheed Martin manages and secures large databases and or...
Lourdes has as many faces as there are people in the community it serves. With its spiritual Catholic faith, Lourdes Hospital has provided compassionate care to those in need since 1925. In Binghamton, NY, the main hospital campus includes a Hospice Program, an Ambulatory Surgery Center, and a Regional Cancer Center. Reaching beyond these boundaries, Lourdes has established a network of primary care physicians at convenient sites throughout the region. The Mission In Motion program, which provides primary care and cancer screening services through two mobile medical vans, makes health care accessible to rural populations. Lourdes earned its reputation for quality health care through the dedication and commitment of the people who provide those services day in and day out, 365 days a...
