Decker School of Nursing

Graduate Program

The graduate and undergraduate nursing programs of the Decker School of Nursing are accredited by the Commission on Collegiate Nursing Education (CCNE) through June 19, 2019.

The Decker School of Nursing offers graduate level programs of study culminating in professional graduate degrees of the Master of Science (MS) and Doctor of Nursing Practice (DNP) degrees.
Is and Isn’t

• This promises to be relentlessly boring – I am sorry

• This is not intended to replace buying the book or looking things up
  – I have not included *everything*, just what I see as the most common errors

• This is not a writing seminar

Professional Ethics and Academic Honesty Policy for Graduate Students

Students are responsible for maintaining the integrity of and hold individual responsibility for their course assignments. Failure to do so is a violation of the Academic Honesty Policies of both the University and the Decker School of Nursing. See http://bulletin.binghamton.edu/program.asp?program_id=291 for the University's policies on Academic Integrity and the Student Academic Honesty Code. This link will also allow students to review violation category definitions per the University's Academic Honesty policies. See DSON Academic Honesty Policy for department specific procedures re: Academic Honesty. For more information on Academic Honesty at the University level including forms, please see the Provost's web site: http://www.binghamton.edu/academics/provost/honesty.html.
