Subscribe to the Listserv

Students are required to subscribe to the undergraduate student listserv(s), and expected to regularly check their Binghamton e-mail account for messages. Students are held accountable for information and instructions distributed via listserv(s). You need to self subscribe.

HOW TO SELF SUBSCRIBE:

1. Compose an e-mail message from your BU e-mail account addressed to:
   Listserv@listserv.binghamton.edu.
2. Leave the subject field of the message blank.
3. Type the following text in the body of an e-mail message:
   SUBSCRIBE DSON-UG First name Last name (E.g., Subscribe DSON-UG Louise Smith)
4. Send the message.

Notes:
If you wish to forward your B-Mail (BU e-mail) account to your personal, preferred e-mail account, you may do so by following directions found online at: http://its.binghamton.edu/email/forwarding. This way you only need to check one account for electronic messages (the account you prefer).

Note: Electronic mailboxes fill to capacity, if left unchecked. This causes message delivery failure —until the mailbox is emptied by deleting old messages. Missed/rejected messages due to your mailbox being over capacity are not resent.
