In the middle of my senior year as an Accelerated student, how do I fill out my “formal application” for Graduate School?

The Graduate School considers you a "new" student even though you are part of our Accelerated program. The “formal application” is needed by the Graduate School.

Go to the Graduate School's web site for instructions:
https://www.binghamton.edu/grad-school/admissions/apply/apply-accelerated.html

➔ Sign into BU Brain Self Service
➔ On the top of the page, make sure the ‘Home’ tab is selected
➔ Scroll down and click “Accelerated Graduate Degree Application for Admission”

Most of the instructions that are there do not apply to students from our ECE department. Enter your information. There is a part in the instructions about what is required. You do not need to submit any of these:

- GRE scores
- TOEFL /IELTS scores
- Personal Statement
- Resume
- Transcript
- Letters of recommendation

If you are an international student, you will need to submit the financial information. There are no additional requirements that our department needs. Then pay your application fee.

After that, a decision will be entered into our system (usually after the grades are recorded from the Fall semester) and you will receive an e-mail from the Graduate School. When you confirm (by following the directions in the Graduate School’s e-mail) that you are coming as a Graduate Student, you have completed the "formal application" for Accelerated students.

If you have questions, please e-mail svankure@binghamton.edu.
