APPLICATION FOR MINOR IN SUSTAINABILITY ENGINEERING

Please print

Name ___________________________________ Local Address: ____________________________________________

Student B-Number ______________________ Phone: _______________ Email: __________________________

TO THE STUDENT: There are specific policies and procedures which you must be aware of and agree to before completing this form. The completed form should be returned to Ms. Bobbi Libous, Engineering Design Division, LNG-110.

1. You are responsible for keeping the University informed about your graduation plans. You must file an “Application for Degree” in the semester you plan on graduating via BUBRAIN.
2. A minor is not required for graduation but must be dropped if you do not plan on completing it. The completed minor(s) will appear on your transcript when the degree is certified. Minors will not be added to a transcript once a degree is certified.
3. Cumulative GPA in courses taken for the minor must be 2.0 or above.

Major(s) _______________________________ Declared? □ Yes □ No (Must include a declared engineering major.)

List other minor(s) ________________________________________________________________

Before applying for a minor in Sustainable Engineering, you must have completed the following four courses. Your cumulative GPA in these four courses must be 2.7 or higher. Please indicate below when you took these courses and the grade you received. Please bring a DARS to have this form signed by the Director of the Engineering Design Division.
