ACADEMIC ADVISING

Meet with an advisor at least once a semester:

- **Academic Assistance**
  - Exploring majors and/or minors
  - Planning your academic career and scheduling courses
  - Facilitating progress towards graduation
- **Rules at Binghamton**
  - Navigating policies, procedures, & deadlines
  - Academic signatures for immigration
- **Co-curricular Involvement**
  - Discovering ways to complement your coursework with internships, research, and/or study abroad
- **General Information**
  - Questions or concerns
  - Connecting you to other resources on campus
**Academic Advising**

**Connecting with an Advisor**

**Emails**
- Choose one advisor, and direct your email to that person (don't email everyone)
- Include your B-number
- Useful for quick questions that do not require much explanation
- Should only be 1-2 questions, email isn’t appropriate for a list of questions

**Walk-ins**
- Quick meetings (about 10-15 min.)
- Meet with the first available advisor
- Useful for brief questions that may require some explanation
- Examples: scheduling, dropping a course, signatures on forms, items that need immediate attention, etc.

**Appointments**
- Longer meetings (about 25-30 min.)
- Schedule ahead and choose the advisor you want to meet with
- Appropriate for detailed questions that may take a long time
- Examples: planning courses for several semesters, long-term planning, etc.
