

2016 Summer Internship Program

Build a career. Build a region.

About the Port Authority

Founded in 1921, the Port Authority of New York and New Jersey builds, operates, and maintains many of the most important transportation and trade infrastructure assets in the country. The agency's network of aviation, ground, rail, and seaport facilities is among the busiest in the country, supports more than 550,000 regional jobs, and generates more than \$23 billion in annual wages and \$80 billion in annual economic activity. The Port Authority also owns and manages the 16-acre World Trade Center site, where the 1,776-foot-tall One World Trade Center is now the tallest skyscraper in the Western Hemisphere

About the Program

The Port Authority of New York and New Jersey offers 12-week paid internships that provide graduate and undergraduate students the opportunity to work with knowledgeable and experienced professionals on current management and engineering projects as well as assignments related to the student's major. These assignments will include hands-on projects to cultivate technical, writing, communication and team-building skills.

Internships are offered in a variety of departments such as Architecture, Audit, Aviation, Comptrollers, Engineering, Government and Community Affairs, Human Resources, Path, Port Commerce, Real Estate, Technology, Tunnel Bridges and Terminals.

How to Apply

We are seeking dynamic candidates who have a clear interest in a career in public service and are enthusiastic about experiencing all the Port Authority has to offer.
