SAA COMPREHENSIVE EXAMINATION

Comprehensive examination – This comprehensive examination is a required component for the Student Affairs Administration degree. This examination is to be taken after completion of the core classes listed below. As of fall 2014, the examination must be taken in the second or third semester of the student’s progression through the degree. The examination cannot be taken in the student’s final semester – graduating semester. This examination is based on the information taught in the five core classes – SAA 510, SAA 511, SAA 512, SAA 513, and SAA 514. This examination is a take home examination that is emailed to the student on the last day of classes (Friday). (Unless alternate arrangements have been permitted by the department chair.) The examination is emailed back to the department secretary on the next Monday. The student is given 4 days to complete the examination. (Unless alternate arrangements have been permitted by the department chair.) In the event of a failure, a student will be permitted to retake the examination only once, before he or she will be terminated from the program permanently.
