THE GRADUATE SCHOOL

FOR THE INTENSE, THE PASSIONATE, THE COMPELLED

ACADEMIC EXCELLENCE
- Binghamton University is a highly selective, mid-sized public institution, one of four research universities within the State University of New York system.
- U.S. News & World Report consistently ranks Binghamton University among the Top 50 public universities.
- Fiske Guide to Colleges calls Binghamton “the premier public university in the northeast.”
- Our talented faculty includes a Pulitzer Prize winner, a National Book Awards winner, and numerous Fulbright, Ford and Guggenheim scholars.
- Binghamton University is large enough to provide an outstanding education for all its students, yet small enough that graduate students work alongside faculty.
- Our graduate students are successful in the job market; employers know our graduates are well prepared.

EXTRAORDINARY VALUE
- Investor’s Business Daily places Binghamton University in the top 10 for return on educational investment.
- Kiplinger’s Personal Finance ranks Binghamton University number 1 in value for out-of-state students and number 5 in value for in-state students among public universities in the nation.

GREAT LOCATION
Binghamton’s 900-acre campus in New York state features hills and wooded landscapes that are beautiful in every season.

RANKED 8TH SAFEST MID-SIZED CITY IN THE NATION

BINGHAMTON AT A GLANCE
- Total enrollment: 14,800+
- Graduate students: 3,000+
- Academic colleges: 7
