Research Compliance

The mission of the Office of Research Compliance is to ensure the protection of human subjects, the welfare of animals, safe use of select agents, pathogens and toxins, and to enhance the ethical conduct in research programs at Binghamton University. The research compliance office values integrity and accountability in the conduct of all research. http://research.binghamton.edu/Compliance/

Human Subjects Research

Determination of Human Subjects Research

- Determination of Human Subjects Research. Federal regulations can be confusing, if you are unsure whether or not your research involves human subjects, please contact the HSRRC office for assistance in determining if your activity involves human subjects research.

Submitting a Protocol

- Read the How to Submit a New Research Protocol for Review
- Quick Guides for COEUS
- Applications/Forms/Samples

Contact Information

- For HSRRC related questions, please contact the HSRRC office at hsrcc@binghamton.edu or 607-777-3818
- For help with COEUS access and assigning user names and passwords contact coeushlp@binghamton.edu

Laboratory Animal Resources

Working with Animals

If you are planning to work with animals, the following is needed:

- Successful completion of online training (see "Online Training", below)
- Completion and review of the health questionnaire form (see "Occupational Health and Safety Program - Health Questionnaire", below)

Please see the IACUC policy, Requirements for Working with Animals for more details.

Online Training

- For access to CITI Program online training, go to http://www.citiprogram.org. Required courses are listed in Requirements for Working with Animals.

Contact Information

- For questions and comments about Laboratory Animal Resources, call (607) 777-4170.
- For login information, call (607) 777-6199.
