Dear Dr. Strehle et al,

I have received your letter of November 21 regarding the presidential search process at Binghamton.

I want you to know that I understand and appreciate the concerns outlined in your letter and that my staff and I are working with the University Faculty Senate to include language in the presidential search guidelines that will address these concerns for future searches.

Thank you for your investment in this process and your ongoing dedication to Binghamton University.

Sincerely,

Nancy L. Zimpher
Chancellor
