Proposed expansion of
Academic Computing and Educational Technology committee (ACET)

Presented to Faculty Senate May 18, 2021

Name: ~~Academic Computing and Educational Technology Committee (joint)~~

Proposed Name: Information and Educational Technology Committee (joint)

Proposed Charge:

1. ~~To advise the Faculty Senate, the Associate Vice President for Computing and Educational Technology, and the administration on matters of Computer Center policy and administration, and~~
2. ~~To serve as a liaison between the faculty and the Computer Center.~~

1. To advise the Faculty Senate, the Provost, the Vice President of Operations, and the Chief Information Officer on information and educational technology policy, including policy related to information security and computer and network access, system implementations and usage, and broader computer and technology needs.

2. When applicable, to survey or solicit and receive comment from the campus community regarding proposed changes in technology or information technology policy, to gauge their potential impact.

Composition:
The Information and Educational Technology Committee consists of fourteen members total, ~~the Provost who is Chair~~, a co-chair appointed by the Provost, Associate Vice President and CIO of Information Technology Services, seven faculty drawn from various schools and the Library, three additional members chosen by the Provost, a graduate student, and an undergraduate student. Thus, Faculty Senate representatives comprise seven of the fourteen voting members of the Academic Computing and Educational Technology Committee. Additional non-voting members whose expertise would contribute to the committee's function may be added at the discretion of the committee chair, subject to the approval of the Executive Committee.
