December 08, 2020

To Whom It May Concern:

The State University of New York at Binghamton (also known as Binghamton University) plans to offer on-campus instruction in a hybrid delivery model for the Spring 2021 semester. Students who are in the United States will be able to take courses through in-person and hybrid formats this Spring, and there will be a sufficient number of in-person and/or hybrid courses offered to ensure that students are able to enroll in a full-time course-load and make normal degree progress.

We have provided this letter to students who are applying for visas or seeking entry into the United States as evidence that they will be able to attend in-person courses (in compliance with guidance from the Student and Exchange Visitor Program from Fall 2020). Students are expected to arrive to Binghamton University campus by February 11 for the first day of classes.

Thank you in advance for your assistance to this Binghamton University student.

Sincerely,

Patricia Bello
