

## Dr. Patricia DeLaMora '95

### “ A Day in the Life of a Pediatric Infectious Disease Doctor”

Dr. Patricia DeLaMora is an Associate Attending Pediatrician at New York-Presbyterian Hospital/Weill Cornell Medical Center and Associate Professor of Pediatrics in the Division of Infectious Diseases at Weill Cornell Medical College.

Dr. DeLaMora received her medical degree (MD) from New York Medical College following her Bachelor of Science degree in biology from Binghamton University. She completed both her pediatric residency and pediatric infectious disease fellowship training at New York-Presbyterian Hospital/Weill Cornell Medical College. She is board certified in both pediatrics and pediatric infectious diseases.

Her clinical interests include pediatric Lyme disease, recurrent and periodic fevers, recurrent infections, and staphylococcal infections (including MRSA).
