Languages Across the Curriculum (LxC) offers a course tailored for students who wish to use their existing Romance language skills to enhance their knowledge of cinema and gain valuable linguistic & cultural insights. Students in LxC 130 will apply their French, Italian, Portuguese, or Spanish language skills to further explore areas of interest from their CINE 121 coursework, and to develop intercultural competency relevant to their academic & professional pursuits.

In this innovative course students will enhance their language skills & become better equipped for real-world intercultural research and communication which is integral to their academic & professional development

- is open to students who have already taken CINE 121 (or will take CINE 121 in Spring 2022)
- allows students to connect their French, Italian, Portuguese, or Spanish language skills to enrich their learning
- is open to both CINE majors and non-majors
- can accommodate first-year & advanced students
- can fulfill Harpur W using Romance languages & cinema!

LxC 130 Cinema thru World Language & Culture (2-credits)
